Sermon Title: The Pleading Heart of Leadership

Speaker: Richard Smith

Scripture text(s): Galatians 4: 8-20

- 1) How do I react when someone I love and disciple turns away from Christ?
- 2) Are there any areas in my life where I have turned away from Christ and am following demonic forces?
- 3) How much do I depend on my following the "rules" of Christianity?
- 4) Do I listen to Christ's messengers or to the people around me?
- 5) Examine your heart and life. In what ways have you played mind games to convince yourself that you're okay with Christ but are still worshipping idols?
- 6) Discuss situations where you've told the truth in love to someone but they took you as an enemy. What would the Lord have you do in that relationship?
- 7) Do you want Christ formed in you? What does this mean? What must happen in your life for this to be achieved?
