Sermon Title: From the Graveyard of Sin the the Throne Room of Glory

Speaker: Dan Vangsnes

Scripture text(s): Ephesians 2: 1-9

- 1) Do I take time to look at my past life in order to continually appreciate the goodness of God by sending His Son to die for me?
- 2) Do I try to hide my sinful past or do I use it to show others how much God has done for me to set me free?
- 3) Discuss the consequences of our sin that Dan mentioned from verse 3.
- 4) Dan mentioned 3 things that we have been saved from. (1) our deadness, (2) our bondage to Satan, (3) our God (wrath). Discuss how you have seen change in your own life as a result of being saved. Discuss how you see these 3 things in people around you who are still living in these.
- 5) Dan gave us a quote from Martin Luther--"You contribute nothing to your salvation except the sin that made it necessary." How does this encourage, comfort, and challenge you?
