Sermon Title: Christ, Our Substitute

Speaker: Richard Smith

Scripture text(s): Galatians 3:13

- 1) Why is it so easy to continue to sin even knowing that Jesus died on the cross because of my sin?
- 2) Do I believe that God cursed His own Son because of me?
- 3) What changes would occur if we depended solely on the Holy Spirit's power to persuade people to believe Christ? How would our churches change?
- 4) In what areas of your life have you seen a victim mentality? How does it affect your relationship with the Lord? With family? With friends/coworkers?
- 5) Richard said, "Our nation is disintegrating because of a victim mentality." What evidences do you see of this? In what ways can we as Christians combat this in our own lives? How can you help someone else who is in a victim mentality?
