Sermon Title: Faith or Law

Speaker: Richard Smith

Scripture text(s): Galatians 3: 7-13

- 1) Do I really try to come before God by faith or do I continue to rely on works?
- 2) Discuss reasons why you can't live as a rule keeper and rely on faith at the same time.
- 3) What are your thoughts on the word "cursed" and the weight of its meaning for those who rely on works?
- 4) How does the weight of the word "cursed" affect you? Someone you love?
- 5) How can you share the love, grace, and redeeming power of Christ with someone who is under this weight?
