- 1) Richard said, "Whatever you think about the most you will love the most." How is this true in your life? What areas of your life do you see this played out?
- 2) Who do you depend on? How would others characterize your life--self sufficient or dependent upon God?
- 3) Examine your heart to see if you are truly and totally surrendered. What steps is the Lord leading you to take in order to surrender yourself to Him?
