---

- 1) Where have you found yourself in a shepherding role? What are some difficulties you've faced?
- 2) As you've endeavored to shepherd, how have you grown and matured in your faith and relationship with Christ?
- 3) What are your motivations for shepherding the flock you've been given? Your own personal gain? To bring glory to the Lord and for the welfare of the sheep?
- 4) Think about God's role as our shepherd. Discuss His methods of shepherding and how you can be more like Him.
