Sermon Title: Go Get a Plan and Go Public

Speaker: Richard Smith

Scripture text(s): Galatians 5:16

- 1) Am I walking side by side with another believer in my battle against sin in my life?
- 2) How important is the church in my life?
- 3) Am I always honest with my accountability partner or do I make excuses to not tell about my secret sins?
- 4) Richard said, "Show no mercy to the approaching enemy of temptation." What kind of action plan can you implement in order for this to be true in your life? What results would come from this kind of action plan?
- 5) Discuss how you've seen someone, or even yourself, fall into sin where there was no accountability present and/or a lack of influence from fellow believers.
- 6) What steps can you take this week in being more transparent to someone you trust instead of yielding to secrecy?
