Sermon Title: Overcoming Fear With Overwhelming Love

Speaker: Phyllis Hendry

Scripture text(s): Ephesians 3:16-19

- 1) What are the lies the enemy throws at you the most in order to keep you in fear?
- 2) What perspective do you live from the most? Fear or love?
- 3) Discuss how fear cripples you. How does your fear influence others around you?
- 4) Mrs. Hendry asked, "What can you do about fear?" She used Ephesians 3:16-19 to help us answer this question--how does this scripture impact your life? What about this scripture seems hard for you? What about it have you grasped?
- 5) Discuss how reminding yourself of Whose you are will enable you to choose love over fear.
