Sermon Title: Giant Faith

Speaker: Richard Smith

Scripture text(s): 1 Samuel 17

1) What or who are you looking to? What or who is your hiding place? Money? A spouse? Friends? Or the Lord?

2) When your situation looks hopeless, what happens to your faith? Which do you believe-- "God won't help me" or "I'll wait for God to act"?

3) What part of your life does the enemy try to lie to you with "God hasn't equipped me for this"? What does God say about this lie?

4) Richard said, "God allows giants to come into our lives in order to strengthen us." How are you viewing the giants in your life? What giant is God using to strengthen you right now?
