**Sermon Title: A Happy Kingdom for Poor Hearts**

**Speaker: Richard Smith**

**Scripture text(s): Matthew 5:3**

---

- 1) What do you base your happiness on?
- 2) How does knowing your heart condition change how you relate to God?
- 3) Do you view yourself as poor in spirit needing God completely? How does our culture view our need of God?
- 4) How does the enemy's lie that your works are enough seep into your heart and deceive you?
- 5) Discuss how it brings encouragement to your heart and how it spurs you on to know that Christ first washes our feet before we have any part of Him.
