Sermon Title: Meek Hearts and Massive Joy

Speaker: Richard Smith

Scripture text(s): Matthew 5:5

- 1) Discuss examples of meekness as you have seen it displayed in people around you. How does this meekness affect the people around them? How does it affect you personally?
- 2) Richard likened meekness to a horse being broken--that until it's broken the horse isn't usable. He compared the horse to a donkey who is wild, untamed, and unruly. Relate this example to our own lives. What does this look like in our own lives?
- 3) How would it change your life if you believed Matthew 5:5? What areas of your life would be freed up? How would it change your perspective of this earth and the new earth?
