Sermon Title: Who Can Endure the Day of the Lord?

Speaker: Richard Smith

Scripture text(s): Joel 1-3

- 1) Why is it important to understand the "mini" Day of the Lord judgment of the locust swarm?
- 2) What does God accomplish by sending these "mini" judgments?
- 3) How has God used loving warnings in your life to bring you back to Himself?
- 4) Read Joel 2:12-13. In what ways do we grieve over the wrong things? How do you rend your garments instead of your hearts? Why should we rend our hearts?
- 5) Read Joel 2:18-19. Tell of how God has brought you satisfaction. How has that been healing balm for you?
- 6) Read Joel 2:28-29. What is God's promise and how does He carry it out? Tell of how this encourages you to press on through trials and suffering?
