Sermon Title: Listen When The Lion Roars

Speaker: Richard Smith

Scripture text(s): Amos 3-9

- 1) Read Amos 3:3-8. Discuss the dangers of losing a healthy fear of the Lord. What happens to an individual, people group, or nation when there is no fear of God?
- 2) How did God deal with Israel's loss of fear?
- 3) How can we know our worship is acceptable to the Lord? What is the Lord telling you about your worship?
- 4) Read Amos 7:7-8. What is God's plumbline?
- 5) Richard made the point that a hard statement is needed to reach a hard heart. When have you had to say the hard thing to someone? Have you ever had someone say a hard thing to you? How did this restore you back to the Lord?
- 6) Read Amos 5:18-19. In what ways has the attitude of not being accountable infected our culture?
- 7) In Amos 9:1-3 God is angry. Why is He so angry? Discuss Amos 9:10.
- 8) What is the good news of Amos? How does this encourage you?
- 9) How has the book of Amos challenged you? Convicted you? Encouraged you? Exhorted you to be more diligent in the study of scripture? To be more diligent in sharing the good news of Christ?
